## Enrollment Checklist

Please send this form as a cover page with all the documents required.

- Medical Form, signed by a physician
- Immunization record
- Copy of student's birth certificate or passport
- Picture IDs of parents/guardians and emergency contact / additional authorized people. All documents have to be valid (not expired). Approved list of IDs (only include one from the list for each authorized person, including parents):
  - State issued ID or driver's license
  - US Passport or Naturalization Certificate
  - Resident Alien card (green card)
  - Foreign Passport with English translation
- Previous school records, if applicable

Sending multiple emails with an incomplete list of documents will delay the registration process. The administration will contact you to schedule an assessment interview within a week of receiving all required documents.
